

We really appreciate the chance to provide you and your family with excellent dental care! We are committed to providing you quality oral health care in a comfortable, gentle, and professional environment.

Here is what you can expect at your first visit to Fletcher Dentistry:

A comprehensive dental examination including:

- Review and discussion of your health history
- Review of any necessary x-rays
- A full head/neck examination
- Oral cancer screening
- Orthodontic evaluation
- Periodontal exam for gum and bone health
- Tooth by tooth exam
- Plus we answer all of your concerns/questions

We will provide a complete treatment plan addressing your dental needs and desires. Our staff will also provide a complimentary evaluation of your insurance benefits.

Our goal is to help you maintain and retain your natural teeth. We encourage you to be involved with that process and help us treat you according to your wishes as well!

We value your time. You can expect us to be on schedule for you and we would appreciate the return courtesy. We make every effort to notify our patients of changes or delays in the daily schedule as timely as possible. We recognize emergencies in life occur. Should you need to reschedule your appointment, we would appreciate a 24-hour advanced notice.

PRIOR TO YOUR VISIT, would you do us a favor and do **TWO** things:

1. **Complete** the enclosed patient health questionnaire and information forms and remember to bring it with you to your first visit! If you have dental insurance we will be more than happy to research your benefits prior to your appointment.
2. **Visit** our website at FletcherDentistry.com. It is an easy way to contact our office, get directions, and find us on social media.

If you have any questions, please do not hesitate to contact us at 209-524-7347. We look forward to a relaxed and pleasant visit with you.
