

1st Grade Supply List

Welcome to first grade! Each 1st grader will need the following items for the upcoming school year. They don't need anything else, so please don't send them to school with toys or other things (pencil boxes, scissors, notebooks, etc.) for their desks. Please bring these items on the first day of school. **Thank you for placing the items in a bag with your child's name on it, and for writing your child's name on the items marked with an asterisk.** The other items will be shared among the children in the classroom and do not need to be labeled. I have suggested brands that last longer, but you are not required to purchase the brand named items. If buying these items is a financial burden, please let me know and we can make other arrangements. Thank you for supporting the first graders!
