

Lillian Schwarz Memorial Fund

Purpose : To provide financial support for Christian education programmes directed at persons under 30 years of age.

The Lillian Schwarz Memorial Fund may be used to initiate long-term programmes, but is not to be used to subsidise programmes that should appear on the LCNZ's or a congregation's budget, or to pay salaries.

Projects may include:

- # Subsidising the cost of youth attending training courses
- # Subsidising the cost of youth camps; and
- # Meeting the cost of teaching aids for Sunday Schools and youth groups

Project James

Purpose : To facilitate one-off mission/ministry projects where there is no other source of funding within the LCNZ.

Such projects are not to be considered as a budget-line of the LCNZ or congregations.

Projects may include:

- # Training of people and travel related to mission/ministry development
- # Purchase of resources for ministry/mission
- # Support of mission outreach

Hetty Gudopp Fund

Purpose: To facilitate longer term mission/ministry projects where there is no other source of funding within the LCNZ

Such projects are not to be considered as a budget-line of the LCNZ or congregations. This fund may be used to initiate longer-term projects that may be on-going

Projects may include:

- # Training of people and travel related to mission/ministry development
- # Purchase of resources for ministry/mission
- # Support of mission outreach

Scope: The scope of projects to be supported are that they are within NZ and internal to the LCNZ

Each of the above funds may fund up to 100% of the cost of the project. Funding is dependent on funds available.

Who can apply : LCNZ auxiliaries, parishes, and congregations can make applications from these funds. Individuals whose application is endorsed by their congregation or the LCNZ can also apply.

Reporting: The LLL expects those who receive funds to report back on the benefits gained through the grant. Where possible, the LLL would appreciate the inclusion of a quantitative measure of the benefit. For example, amount of usage (resources) or increase in the number of meetings/attendance and/or number and type of follow-up activities.
