Southern  
California  
Intergroup

October 1990

Dear Secretary:

Welcome to the Nicotine Anonymous family. Your decision to accept a servant leadership role by conducting regular Nicotine Anonymous meetings will be richly rewarded. By being there for other struggling nicotine users and ex-users, you will be solidifying your own recovery from nicotine addiction.

Enclosed is a meeting starter kit to help you and your group get off on the right foot and stay focused.

If you have any questions or meeting difficulties you would like to discuss, please call on any member listed on the Intergroup Trusted Servants contact sheet. We are always happy to help.

Again, thank you and your group for being there for those nicotine addicts who have begun recovery and for those who haven't yet but do want to quit. YOU DO MAKE A DIFFERENCE.

P.S. The a.m. starter kit and additional material is mailed to all groups in the Los Angeles Intergroup area.

We need you to  
continue, we must  
rotate the leadership  
at Intergroup. Express  
your gratitude to
