Exercising Your Clairs with Bobby Kitsios

Fee: \$35

This class is designed for those wishing to connect with Evidential Mediumship.

In this class, we will work with each "clair" (clairvoyance, clairaudience and clairsentience) to begin to open each one and further develop those already available to us. This is an experiential class to continue to connect with Spirit and obtain the information quicker and more accurately.

A basic connection with Spirit is advised but not required.
