**Past Lives and Present Challenges:
How to use the energy of the past to heal the present**
with Reverend Mary Yankee

Fee: \$40

A discussion of how past lives influence our present one, including the challenges we face in our everyday lives, and how to utilize knowledge of those lifetimes to heal present day obstacles to realizing our Divine Potential. There will be an exercise to help each person discover whether a challenge they face is related to a past life event, and if so, how to address it effectively.
