Reverends Barney & Barbara Thomas
and Nansi Rice

Barbara and Barney Thomas were ordained by the New Jersey Psychic Science Association as spiritualist ministers in 1979 and 1978 respectively. Barney was also ordained by the NSAC in 2012. Before becoming a spiritualist, Barbara was a Dominican sister for 15 years. Over their careers they have served churches and conventions in 8 states besides teaching classes in metaphysics and mediumship development at the New London church. They are honored to share their understanding of Spiritualism by speaking and spirit communication. They are also pleased to introduce their student, Nansi Rice, to the Albertson congregation.

Nansi Rice joined the New London Spiritualist Church in Feb. 2013. She immediately joined Barbara and Barney Thomas's Development Circle. In October 2013, she became the first medium to do readings at The Norwich Inn & Spa. She has taken classes from Richard Schoeller, Bill Collier and Sharon Siubis. This past June, Nansi went to Lily Dale, New York, where she received her Advanced Mediumship Certificate from International TV star, and Master Psychic Medium, Lisa Williams. Nansi is also a massage therapist, Reiki master-teacher and certified life coach. It is her intention to bring love, light, peace and healing to you from spirit.
