

Advanced Techniques For Platform Mediumship

This class is intended for mental mediums who want to not only connect with spirit communicators in more profound ways thereby paving the way for better evidence and clearer messages, but work with all size audiences too.

You will be required to stretch your abilities in putting these techniques into practice so as to best benefit in further developing your rapport with Spirit as well as stage presence.

Therefore, hands-on application will be stressed with your fellow students.

Topics include:

Setting the Stage for Your Platform Event

- Behind the Scenes Self-Preparation For This Specific Work with Spirit
- Preferable Seating Positions For Your Sitters
- Important Points To Cover In Your Overviews with Sitters

Overview Completed: What Now?

- Ways of Smoothly Transitioning Into Working with the Sitters After the Speech
- Engaging the Sitters at Large on a Continuing Basis
(Effectively Avoiding Your Spirit Contact Having the Feeling of a Loud, Private Conversation)

Keeping the Audience Naturally Participatory and Working Alongside You Rather Than You For Them!

Having No Drop in Conversation...You, Spirit, and the Sitters Speaking (No Dead Air Space)

Your Body in Motion (the Kinesthetic Spirit Connection)

Double-Demming (2 or More Mediums Demonstrating Together)

- Determining Who Starts
- The Turn-Taking Process

Linking-In (2 or More Mediums Connecting with the Same Spirit Communicator)

- When Is It Appropriate?
- Spontaneous Versus Purposeful
- Avoiding Being a Slacker

Closing Statements That Foster a Continued Feeling of Inclusiveness for Your Audience Even When Not Everybody Got Messages While Promoting Yourself Too

Your tutor is Chris DeSerio, MA, CHt, trance and platform medium, energy healer, and metaphysical teacher/tutor.
