Priscilla Keresey - Service and Spirit Communications

11:00 AM - 12:30 PM

Priscilla Keresey is recognized throughout the country as one of the

most accurate, compassionate, and sought-after psychic mediums. In addition to bringing the physical and spiritual worlds together for individuals and groups, Priscilla coordinates local psychic fairs, appears on radio and television programs, and acts as guest minister and medium for local Spiritualist churches.

Priscilla travels extensively throughout the U.S. offering gallery-style Spirit Communication events. These upbeat, joyful, and entertaining gatherings are opportunities to witness evidential mediumship and receive specific messages from loved ones in the Afterlife. Part of Priscilla's mission is to demystify mediumship and encourage people to believe that their own experiences with deceased loved ones are genuine.
