NEW BIBLE STUDY—ENGAGE

It seems like our society is suffering from "truth decay." A lot of people simply believe whatever they want. After all, truth is relative, right? Well, perhaps not. Just because someone believes that she's a millionaire, doesn't make it so. Just how do we go about separating truth from opinion, facts from feelings? And in really important matters, like where we'll spend eternity, is there some way we can know that what we believe is real, that what we believe is the truth? How would that knowledge transform our lives? How would it impact the lives of others? Join us next Sunday at 9am for our next "Engage" Bible study looking at how you can separate fact from feeling and grow in your confidence in the truth of God's Word.

HELP NAME YOUR CHURCH FAMILY!

We are through our first month of cleaning with our new church family setup. In the past, we have simply named our church families "A, B, C." We can be a little more creative - each team can come up with their own church family name - talk about it with those families in your church family and come up with a great, creative name!

(W)HOLE IN ONE GOLF CAMP

As a new way to reach out to our community, we are going to put on a golf camp here at Our Savior Lutheran. **(W)HOLE IN ONE** golf camp is an opportunity for young athletes to grow in both their golf skills and their faith in Jesus.

This year's camp will be covering a variety of beginning golf skills including: grip, stance, swing, golf etiquette, and strategy. There will also be faith building lessons revolving around our camp theme: (W)HOLE IN ONE. Lessons from God's Word will remind participants that Jesus came fix the brokenness of our sin and make us whole again in his love and forgiveness. **(W)HOLE IN ONE** golf

camp is for rising fourth graders through rising ninth-graders. Registration is only \$50 and includes three days of golf instruction, including time at the Timberline golf course. This year's camp runs from Wednesday, July 27th through Friday, July 29th, from 8:30am to 12:00pm. Due to space restraints and the desire for individual instruction, there is a limited number of openings. If you are interested, sign up on the sheet in the fellowship area.

USHERS NEEDED

We are working on getting more people involved at church and one aspect of that effort is to implement a more formalized/organized usher program to assist with our worship. So, we are looking for men and women who would be willing to serve in this capacity. There is a list of the weekly responsibilities in the back of church if you would like to see what ushering all entails. If interested or if you have questions, please speak with Pastor Kratz.
