FH235
shafted hedge trimmer

Light weight and simple design with outstanding cutting performance.

21.2 cc professional-grade 2-stroke engine-
Proven performance and reliability

Full wrap tank stand-
Offers fuel tank protection for commercial use

Ergonomic rubber grips-
Provides increased comfort and control

2-stage air filter-
Professional-grade air filtration for maximum engine durability

Fixed gear case with 20” blades-
Light weight and simple design with outstanding cutting performance

42” shaft length-
Ideal for medium-height bushes or trees
Shindaiwa Shafted Hedge Trimmers offer a choice of fixed or articulating gear cases as well as varying shaft lengths from 29” to 57”.

The extra-sharp, double reciprocating blades make quick work of any hedge.
