4:30 – Announcement of finals

Depending on if we make finals, we will either; eat, load up and leave or eat and march finals.

If we march finals, expect to be home very late, around 3am.

If you are a parent and wish to have your child ride home with you, we will need a note/text, and you need to check out with a director. Students may not ride home with other parents or friends unless both parties have signed notes from each parent prior to leaving Sallisaw.

PLEASE make sure your uniform is in a clean and working order. We received some comments at Bixby about dirty and ill-fitting uniforms and shoes. Check list – All uniform parts, LONG black socks, marching shoes, jacket and bibbers. Your shako and plume should be on the trailer already. Make sure you have your instrument and all necessary parts (reeds, valve oil, etc). This is the biggest contest by far of the year, please approach it correctly. Remember, you have a giant S on your chest, and people will be looking at you and judging the entire band by your actions, so be a good ambassador for our program. We have put in too much work to have it ruined by a couple of people doing non-smart things.
