

CLASSIC TAP DANCE STUDIO POLICIES

- Our academic year starts in September and lasts until June. Tuition is based on a flat monthly rate with an average of 4 weeks per month. When a 5th week month occurs, the extra lesson will balance out with the holiday months when a student may receive only 3 lessons.
- A single non-refundable fee per student is charged at the time of registration.
- (1) student \$20.00, (2) students \$25.00, with a maximum of \$30.00 per family.
- Tuition is due and payable on the 1st of each month. Classic Tap will bill the students accordingly. If tuition is not paid by the 15th, there will be a late fee of \$15.00. There is also a \$25.00 fee for returned or canceled checks.
- Tuition is non-refundable for any reason other than cancellation of your class by Classic Tap Dance Studio. Make up lessons are available for classes missed; please see your teacher to determine which classes you can join.
- No refunds or credits will be given for missed classes. Lessons must be made up or forfeited.
- Arriving late to class can be disruptive to other students, distracting to the focus of a learning atmosphere and difficult on the group's progression in learning. If the student arrives later than 15 minutes past the start time of class, it is up to the teachers' discretion as to whether or not the student will be allowed to join the class on the floor, or be required to only observe.
