

# HOW Does My Donation Help?

**\$25**

You can fund the cost of a set of crutches to help a patient take their first pain-free steps

**\$50**

Supply basic medications and supplements for one patient

**\$100**

You can cover the cost of a patient's hospital stay for one day

**\$250**

Provide physical therapy needed for a patient's successful recovery

Unlike many non-profit organizations, every cent of your donation to Operation Walk Syracuse goes to helping someone in need... not to administrative costs. Your donation will Grant the Wish to Walk in Syracuse and around the world by providing free hip and knee replacement surgeries to people who cannot afford or do not have access to such care.

Operation Walk Syracuse's efforts are made possible by generous donors who offer monetary or in-kind donations and a group of volunteers who donate their time and skills to the cause.
