

FCCS Math Night

K-4 Students and Families
Thursday, November 9, 2017
7:00-8:00 pm

Join us for an informational night to learn about some of the strategies your child is learning in math class this year. Students who attend will learn fun math games that can be played at home!

Please complete and return the bottom portion by Wednesday, November 1, so that we may plan accordingly. *This event is for FCCS Students and their parents/guardians - childcare will not be available for younger siblings.

1st Adult Attending: _____
