

Frederick Classical Charter School will be holding two assemblies on Monday, November 13, 2017. Our students will learn who veterans are and why we honor them on Veterans Day. We would love to honor any veteran connected to our FCCS community by having them attend one or both of the assemblies. Please invite a veteran you know to our assembly. We ask that you complete the form below and return it by Wednesday, November 8. If you have more than one veteran attending, please complete an additional form.
