

To All McKinney High Choir Parents,

Welcome to another great school year at MHS.

The McKinney High Choir Booster Club works to support the choir program by aiding the directors and students through volunteering at activities, hosting events, and conducting a scholarship program for graduating choir students in the senior class.

It is with great enthusiasm that the Booster Club announces new fundraising support for our organization. After a successful May Mooyah Night last spring, we plan to partner with Mooyah again in this year and also with Chic-fil-a.

Our membership drive is underway for this year, and we are offering two participating levels, so that every family may participate in an organization that will continue the tradition of excellence for McKinney High School Choirs.

Please refer to the attached Membership Form to join the Choir Booster Club this week and the Spirit Package order form.

More information is available at www.mhschoir.com/mhs-booster-club

As always,

GO CHOIR!!
