

Snack Crew

When we hold activities for our Scholars, their little ones will need something to munch on! Our Snack Crew provides juices, waters, sandwiches, and other munchies for 45 children to eat (no peanut products please). We need individuals and groups in our community to provide these snacks for various Generation Hope events.

Types of Snacks

- Juice boxes
- Pudding cups
- Fruit snacks
- Crackers
- Sandwiches
- Oranges, apples, bananas

**No peanut butter products please.*

**Please be mindful of expiration dates.*

How?

Have a packing party! Pack the snacks either in 45 individual bags or compile them in one large container and drop them off at least one hour before the event. Be sure to fill out an in-kind form after you drop off the snacks here: www.supportgenerationhope.org/give-now.

Questions?

Please contact Silvana Rueda, Program Coordinator, at silvana@supportgenerationhope.org to ask questions or to find out when we need our next Snack Crew delivery.

We thank you for your generosity!
