We have so much to celebrate! Another amazing year of the Scholar Program with 84 young mothers and fathers on their way to a degree, more than 300 expecting or parenting high school students receiving college-readiness information through our workshops and Hope Conference, and more Scholars to come in the 2017/2018 academic year! Help us show our pride by purchasing your tickets or table today!

The evening promises to be a blast with great food, good company, dancing, and more! **Proceeds will go to Generation Hope’s Scholar Program, funding field trips, trainings, the Emergency Scholar Fund, and expenses to keep the program running.** Have a great time while supporting the college pursuits of teen parents and the futures of their children!
