We are excited for you to join us! We do have a few rules that we expect all handlers and spectators to observe for everyone's safety and well-being:

1. All dogs must be crated when not being worked, or leashed and under control. No loose or out-of-control dogs.
2. Only one dog at a time on the field during protection!
3. Do not cut through the training field during training; please walk around.
4. Clean up after your dog.
5. Good sportsmanship and courteous behavior are expected from all participants and spectators. Confrontational and unsportsmanlike behavior will not be tolerated.
6. Spectators are welcome, **but all spectators must register, sign in, and receive a wrist band.** Spectators who bring their dogs must keep their dogs leashed and under their direct control at all times, and must not let their dogs interfere with participants.
7. Guests will be added to the board **once they register/ check-in.**
8. If a handler is not ready with their dog when it is their turn, they will be skipped and **MOVED TO THE BOTTOM OF THE LIST** for their flight!
9. Please do not bring a female in heat to this event.

Violators may be asked to leave the event, and registration fees will not be refunded. **Help us keep Dogstock a safe, fun, and enjoyable event for all who attend!**
