

# Pocatello Community Charter School

Annual Performance Report

2015-16

<b>School Overview</b>	
<b>School Mission</b>	Through the EL Education model, Pocatello Community Charter School creates a learning environment for students to develop a love of learning, think at a high level, work hard to overcome difficult challenges with no excuses, persist to achieve their personal best relative to previous performance, seek to improve the world around them, and treat others with kindness and respect. Our teachers, parents, and community are empowered to enable students to meet these expectations.
