

ABIDE IN ME

Words & Music by Tom Demaree

To know You is to love You
And Lord I want to know You
To be hidden deep within You
That is where I want to be

So Lord please take me with You
Wherever it may lead to
Let my life abide within You
As You abide in me

Lord abide in me
Lord abide in me
Lord abide in me, as I abide in You

I'm the branch, You're the vine
I'm the cup; You're the wine
Lord abide in me, as I abide in You
