

SOFTLY IN YOUR HANDS

Words & Music by Tom Demaree

Lord I know sometimes I'm caught up in the world
Lookin' out for number one
Tryin' to just hold on to anything I can
When I should be
Softly in Your hands

Lord You know I let my worries get me down
Just what will tomorrow bring
If I could leave it in Your hands instead of my own
Then I could be
Softly in Your hands

But I am weary
And so Alone
And I'm surrounded by my enemies
And I can't find my way back home
I've been runnin' from You Father
Runnin' on my own
I need to be
I need to be
Softly in Your hands

Lord You know how much I want to settle down
Settle in Your arms of love
Why am I afraid to take a step to save my life
When I could be
Softly in Your hands

Chorus

You know it's very hard
To stop runnin' from You Lord
When all I've ever done is run
I'm getting' tired Lord
So very tired Lord
I think I'm ready to come home
I wanna come home
I wanna come home

So Lord please take my heart
And give me one brand new
Please don't ever let me go
Here is my life
It's all I have to give to You
So I can be
Softly in Your hands

You are faithful
And always there
And there is not a single detail of
My life outside Your care
Please forgive me for my runnin'
I've been such a fool
It's good to be
Where I belong

And when I'm weary
When I'm alone
When I'm surrounded by my enemies
And feel a million miles from home
I'll be holding on to You Lord
'Cause You'll be holding on to me
It's so good to be
So good to be
Softly in Your hands
