

## WEIGH MY HEART

Words & Music by Tom Demaree

---

Lord weigh my heart  
Expose all my motives  
That I might humble myself and pray

Lord weigh my heart  
On the scales of Your mercy  
That I might offer You something pure  
That I might offer You something holy  
That I might surrender my heart to You

(Repeats)

...That I might surrender my heart  
That I might surrender my heart  
That I might surrender my heart to You
