

## YOUR TOUCH

Words & Music by Tom Demaree

---

Come and anoint me  
Heavenly Father  
Break me and shape me  
To be pleasing in Your sight  
That my priority  
Through all my days would be  
To glorify Your Name

Come and anoint me Lord  
It is Your touch that I need  
Come and anoint me Lord  
It is Your touch that I need  
For You are Holy Lord  
It is Your touch that I need

...For You are Holy Lord  
It is Your touch that I need  
(repeats)
