CALIFORNIA MISSIONS  
GULF COAST  
NORCAL/NORTHWEST  
OCTOBER 2014 – SEPTEMBER 2015

MAY – AUGUST 2016

**If the Lord wills**, when we present the *National Prayer of Repentance* to the White House, we will have prayerwalked the distance of the earth’s circumference: **25,000 miles**.

After a hiatus from cross-country prayerwalking for health reasons, God set us back on our feet.

- Boston-NYC Prayerwalk, Fall 2013
- Ohio Prayerwalk, Spring 2014
- Re:UnionWalk, Fall 2014

**Re:UnionWalk** was a groundbreaker...this 800-mile relay connecting all 21 California Missions was the first moderately intense walk (20-25 miles/day) since the early days. Little did we know it would be the **first of three** (Lord willing), spanning nearly 4,000 miles. FYI: Our personal record is 42 miles each in a single day, in triple-digit heat...back in 2001.

Thousands of miles later, we’re not trying to break records, but we know God is calling us to walk the land. I’ve never been so stirred by a sense of expectation as I am right now. Join us as we pave the way for the **100/100/100**, our biggest faith-walk yet.

**Without repentance-in-unity, the American Church will remain powerless** to change the course of a nation in decline. Please help us sound the alarm by supporting us monthly. And consider an extra gift today, to help us launch in the Gulf. *Thank you...*

\* *So let each one give as he purposes in his heart... (See 2 Cor. 9:7-11)*

I AGREE that God’s response to repentance-in-unity is America’s only hope. **I will support Pentecost Walk:**
