

PRAYERWALKING ALL 435 CONGRESSIONAL DISTRICTS
“IN ORDER TO FORM A MORE PERFECT UNION”

An Intercessory Appeal to Heaven on behalf of God’s Servant,

The Honorable Larry Bucshon

Just as an artist combines reds and blues to create royal hues of purple, we believe when WE THE PEOPLE come together under the Master’s Hand in genuine unity, we transcend the earthly realm of political party-demarcation and step into the majesty of God’s Kingdom. Here, He exhorts us to pray for one another as a “first of all” priority, especially for those He has empowered with governmental authority. And so...

We, the undersigned pastors and ministerial leaders, in agreement with the Body of Christ gathered here today, do hereby lift up and bless God’s appointed servant, the Honorable Larry Bucshon, Representative of Indiana, along with his family, his esteemed staff and colleagues, and his fellow citizens of Indiana’s 8th Congressional District, as we pray together in the Mighty Name of Jesus:

LORD, HAVE MERCY ON US! We believe there is one body and one Spirit, yet we come before You fractured and fragmented—segregated by common offense and prostituted by partisanship. Forgive us, O God. Help us discern the counterfeit-unity of polarization, that we might become Your ambassadors of reconciliation. Keep us grounded in Your strength, as You strengthen us to find common ground with all Your children.

MAKE US ONE—brothers and sisters endeavoring to keep the unity of the Spirit in the bond of peace. As we abide in Your love and walk in Your precepts, pour out Your wisdom, humility, honor, compassion, justice, generosity, prosperity and hope. May Your joy overflow through us until it floods our communities—until we all become rich in friends, serving one another out of Christlike love, with no strings attached.

LORD, YOU ARE GOOD AND YOUR MERCY ENDURES FOREVER. Thank You for Your favor that lasts a lifetime! Pour out Your Spirit on the 8th District of Indiana, especially on Your servant, Larry, as he seeks You with all his heart. AMEN.
