

STEPHANIE LE COCQ

Curriculum Vitae 2017

EXPERIENCE

Owner/Designer (April 2015- Present)

Stephanie Le Cocq Studios, Bristol, UK.

A successful, independent design studio, which delivers surface design and illustration work for a variety of clientele worldwide - with primary focus in the fashion industry, delivering trend direction, allover pattern and graphic design. Expanding into developing packaging design for food and beauty products and logo identity.

Graphic and Pattern Design Manager (August 2010 - April 2015)

Bikbok AS, Oslo, Norway.

Oversee my assistant and develop the entire graphic and pattern for Bikbok from concept to product development. An integral member of the design team, creating the "trend bible" for each season. Introduced CAD software to improve work structure at the Varner Group.

www.bikbok.com

Associate CAD Designer (March 2009 - July 2010)

Assistant Print Designer (August 2007- March 2009)

American Eagle Outfitters, New York. (O-1 Visa)

Managing print design development for cut and sew knits womens, creating allover prints and embellishments from vintage, bought and original designs. PDM software with basic product development knowledge- washes, sewing techniques, colour lap dipping etc.

Print Designer (January-August 2005)

Fusion CPH, Copenhagen.

3 month work experience that led to a summer job during university. Designing prints and embroideries that were sold worldwide to brands like H&M, Mexx and Noa Noa.

www.fusioncph.com

Design Intern (June-December 2005)

American Eagle Outfitters, New York.

Internship with Menswear Graphics/Tees.

www.ae.com

Throughout the years I have also created textile designs to sell through Print studios, such as NuPrimary and worked on exciting illustration-based projects for personal commissions, such as wedding stationary, magazine articles, wall prints etc.
