Welcome to the Snoqualmie River Arts Tour. Don't miss this self-guided journey on Saturday & Sunday October 15th and 16th, 10am to 5pm. Meet artists in their open studios and see the region's galleries and art-friendly businesses while you enjoy the scenic byways of the Snoqualmie River Valley. This is a unique opportunity to see the creative spaces and meet the talented artisans who produce some of our most accomplished local art.

Plein air paintings, monumental stone carvings, unique metal sculptures—you will encounter a variety of quality art on this trail of discovery through one of our region's most picturesque rural landscapes.
