

Peter J. Weinberg, Ph.D. Professional Biography

Peter Weinberg, Ph.D. is the Principal Consultant and Owner of Lītigāre, a trial consulting firm steeped in the use of research-based psychology to assist trial lawyers with civil and criminal litigations. Peter has accepted requests from leading trial lawyers in Illinois, Colorado, and California to assist with State and Federal litigations. He has worked for the defense and plaintiff on bench and jury trials, which gives him a distinct and holistic understanding of the psychology of litigation and settlement. His extensive skill and expertise with specialties like psychological profiling, behaviorism, linguistics, focus group facilitation / analysis, theming and framing, the psychology of storytelling along with numerous research-based trial techniques have helped to develop key strategies for wining litigations. Peter has worked with legal teams tackling a variety of issues including motor vehicle accidents, slip and fall, abuse and neglect, medical malpractice, business law, contract law, family law, employment law, and sexual harassment.

Dr. Weinberg holds over 20 years of experience as a treating professional in psychology. He has developed and directed mental health programs in Vermont, Connecticut, and Colorado. His leadership and reputation led to a gubernatorial appointment to the Colorado Autism Commission by Governor Bill Ritter, Jr.

In conjunction with his litigation consulting practice, Peter works with the University of Denver's Graduate School of Professional Psychology, Sturm College of Law and Denver First where he lectures and conducts seminars on a variety of topics concerning psychological techniques for litigation. Furthermore, Peter has conducted trainings, seminars, and workgroups with multiple law firms such as Moye-White along with organizations including:

- The Thompson G. Marsh American Inn of Court
- The National Center for Media Forensics
- Denver Public Defender's Office
- AES International Conference for the Expert Witness
- EEG Medical Malpractice Group
