A New Resource from GFL: Jay's latest title, "A Man and His Convictions" is now up on Amazon.com

The Workbook is much more than a book on men's sexual purity. The theme of the book focuses on the connection between sanctification, spiritual maturity, and biblical masculinity. The Workbook series is 'mapped out' into three books: *Conviction*, *Character*, and *Calling*. A man's convictions shape his character which shapes his ministry. **The Workbook is written in a style to encourage the growing believer to find his all in all in God's provision abundantly supplied in Christ, our Great and Merciful High Priest.** You can order the book on Amazon. Please write a review on Amazon.

The Value of Teaching Lifestyle Evangelism

During our trip to Switzerland this Summer, we brought gospel tracts in German and in French. **Many hours of rail travel provided a number of opportunities to meet people and share gospel tracts and booklets.**

One heart-warming example is about a **Swiss woman pictured below left.** We looked across the aisle and saw that she was troubled and tearful. She received a gospel booklet from us in German and read it for most of her train journey. **On the immediate left, meet Eddie Ochoa.** It's fitting that he is holding a painting of Paul preaching on Mars Hill, for **Eddie lives a lifestyle of evangelism and sets an example as a consistent soul winner. We are so grateful to have him in our GFL men's discipleship group.**

To the right is a photo of a 'self-styled Swiss guru'. We had a very spirited conversation with him about the claims of Christ. The Lord showed us so clearly that when we are prepared and take the initiative, there are so many opportunities to share the gospel. *(cont.)*

Lifestyle Evangelism cont.

During our travels we saw many Muslims easily identifiable by their standard of dress. But, this young Muslim woman on the right was much more westernized in her fashion and cultural views. **We had a friendly conversation with her and she was receptive to our offer of a gospel booklet in French.** We also witnessed to people from Italy and Australia. **GFL**

“World-proofing” High School Grads for College

Recently Jay addressed the high school group of VRIM Presbyterian Church of La Crescenta. His talk exposed the most common lies taught on public university campuses. Those lies include: materialism, Darwinism, the worship of creation, moral relativism, and the new tolerance. **More and more parents and pastors are seeing the need to prepare believing high school students for the assault of paganism they will receive in college.** Early in 2013 Jay will be giving a full three hour workshop exposing these lies. This seminar is open to the public and will be held February 9th, 9 am-noon at Grace Baptist Church, Valencia, CA. For info email jaywegter@gmail.com **GFL**

Our mission at GFL is to help equip individuals and churches to more fully embrace The Great Commission. The training we offer in evangelism and discipleship is ‘hands-on’ equipping through disciple-making. Those being mentored learn how to immediately put to use what they are learning.
