

Gospel for Life February 2012

REPORT FROM INDIA

Dear Family and Friends,

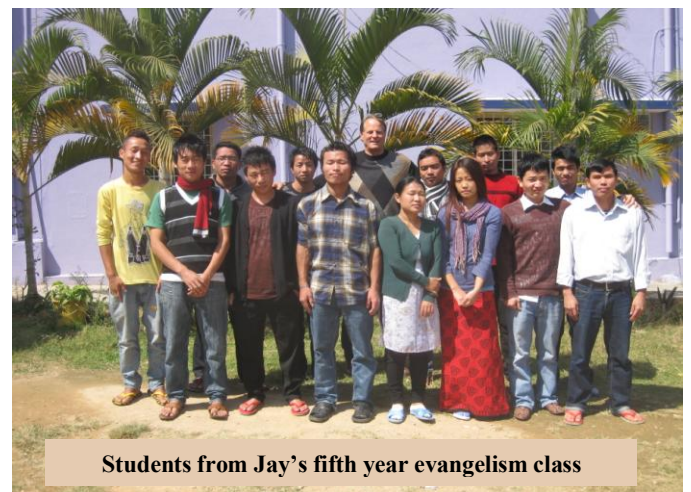

We are praising God for answering your prayers. The energy to minister was in full supply: lecturing 9 times and preaching from the pulpit 8 times. "I love Thee O Lord my strength" (Ps 18:1). Especially important was the personal counseling time Jay provided to those graduating students returning to regions in India and Myanmar which are hostile to the Christian faith. We are very grateful for Christian friends like you, and look forward to meeting with many of you to share further how the Lord blessed our ministry time in India.

Our mission at GFL is to help equip individuals and churches to more fully embrace The Great Commission. The training we offer in evangelism and discipleship is ‘hands-on’ equipping. Instead of training in theory alone, we demonstrate how what they are learning can immediately be put to use.

Thank you so much for making this short-term missions trip possible.

Here are a number of praises to God for our ministry time:

- We were able to form enduring relationships with some of the students—as a result, gospel equipping continues by correspondence.
- For the blessings of strength, health, and safety throughout our time in India.
- For how this time in India has changed us: by deepening our commitment to The Great Commission, and our compassion for the lost.
