

PRECISION. THE WIRE YOU CRAVE.

We have the quality, appearance, and functionality you're looking for when it comes to wire in the music industry...details we've been delivering to top-notch brands since day one. Producing a wire that has an extended lifespan, yet presents a sheen and beautiful, finished look is one challenge we love beating every day.

Our wire is drawn to the exact specifications needed to create the flawless sound musicians are craving. We manufacture music wire that is one of the best in the industry, and that's why the top brands keep coming back for more.
