

Dear Extended Sugar Bowl Ski Team and Academy Community,

We hope you are settling into the Fall season and gearing up for the much anticipated change of seasons.

It has been a very busy month for the SBSTA Search Committee. In an effort to keep you informed and involved in this critical process, we are excited to communicate our progress with you.

- **Data Gathering and Search Process Confirmation**

Our Committee has been working diligently to analyze our Staff Survey, design the interview process, and continue to build our list of qualified candidates. We continue to receive outstanding applications and are confident that we will close our Head search on our preferred timeline. Our application deadline is Oct 15.

- **Job Description**

Our SBSTA job description is now up on our website. Please take a moment to read the description, as it will provide you with specific context for what we are looking for in our next head.

- **School Profile**

We have been working with our marketing agency to update and refine our school profile.

- **Community Survey**

Our stellar community of parents and staff are an integral part of our recruiting process. We are relying on their preferred candidate characteristics to help inform our choice in the candidate pool and have asked our community to complete a short survey to aid in this process.

Finally, we wanted to thank you for your continued interest in our Head search and Sugar Bowl Ski Team & Academy.

Thank you

Kate Krehbiel and Dr. Jim Taylor, Co-Chairs, Head Search Committee
