Em9add7 G A7add9 :4X

Em7 G A7add9 Em7 G A7add9

We've been through this before,

Em7 G A7add9 Em7 G A7add9

Yet, every time,

Em7 G A7add9 Em7 G A7add9

I feel singled out,

Em7 G A7add9 Em7 G A7add9

I wish I could ignore

Em7 G A7add9 Em7 G A7add9

Your precepts of Godliness,

Em7 G A7add9 Em7 G A7add9

Your profiles of things to come,

Em7 G A7add9 Em7 G A7add9

Your words widespread to the unwanted

Em7 G A7add9 Em7 G A7add9

Well I guess your guess must be the best guess

CHORUS

D C9

And I wish I were a candle

D C9

That I could make light of you

D C9

And I wish I were a handle

Gm7 F

That could hold back the dark

D C9

And let the light shine through

Gm7 F

Hold back the dark

A9 Bm D9

And let the light shine through
