

Saint Mary Preschool

May 1, 2014 Mrs. Taube & Mrs. Garn

Hello, May! It is truly hard to believe there is only one month left of school! Please check your May Preschool calendar daily! It is a busy month! We will welcome our Preschool MOMS to our classroom on Thursday at 10:30! Here they come, just a stomping with their feet, singing Dino, ditty, ditty-dum, ditty-do! Classmates decorated Dino costumes for DINO WEEK! Friends shared silly thoughts about what their pet Dino would do...or eat! We will create a Class Dino Book! The children learned about plant eating and meat eating dinosaurs. T-Rex is the class favorite! Look out! Here comes a Shape-O-Saurus! The class used various shapes to create cool looking Dinosaurs! ROAR! The children erupted with cheers as the class VOLCANO shot (cherry-scented) lava out the top! Dino-riffic! In Religion, we learned that God wishes the best for us! We discussed birthday wishes and silly wishes...like for the sky to rain lollipops! (Yummy but...Ouch!) We talked about important people we wanted to "wish well" and prayed for each.

Little Dino Friends say, "Roar!!!"

SNACK NEXT WEEK
Amelia

SONG-(tune of London Bridge)
Dinosaurs lived long ago, long ago,
long ago,
Dinosaurs lived long ago,
That's prehistoric!
Tyrannosaurus was very mean, very mean,
very mean, very mean,
Tyrannosaurus was very mean,
That's prehistoric!
(additional verses- Brontosaurus was very big, Stegosaurus wore heavy spikes, Triceratops had 3 big horns, Pterodactyl could fly in the air)
All the Dinosaurs disappeared,
disappeared, disappeared, all the Dinosaurs disappeared,
That's prehistoric!

SPECIAL THANKS
Brooklyn and her Mom would like to thank all Brooklyn's friends and their families for their thoughts and prayers! During this Easter Season, we remember all those that we have lost. We thank God for our Saint Mary School family. Especially, for the love and support we offer one another.

The children hung 'u'pside down as they colored the Letter U!
