**LAKE FOREST, CALIF.,—NOV 7, 2017—** Baldwin Hardware (<http://www.baldwinhardware.com/>), a leading brand of the Hardware & Home Improvement (HHI) division of Spectrum Brands Holdings (NYSE:SPB), today announced it has named 27 architects and designers to its second Baldwin Design Council—an advisory board of architects and designers sharing ideas and shaping the future of design.

“When we created the Design Council in 2015, we envisioned it as a platform to provide the A+D community an opportunity to build relationships with one another and provide invaluable insight and feedback to our design team,” said PJ Rosch, senior brand manager of Baldwin Hardware. “It vastly exceeded our expectations by creating a passionate group of experts who enjoyed collaborating with one another, and with Baldwin, to truly enhance the future of design. We are thrilled to introduce the members of our second Design Council.”

The following architects and designers have accepted positions and will serve a two-year term from September 2017 through September 2019. The members of the Baldwin Design Council include:
