## [ Brother Keith Coad ]

It is with great sadness that we inform you of the passing of Brother Keith Coad.

Keith was one on the finest Engineers at CP and was a kind mentor to us all. His skill at doing his job was only overshadowed by his friendship and the example he set as a first-class person. Simply put he was second to none. He will be sorely missed by those of us who had the good fortune of knowing him.

The members of Division 295 wish to extend our deepest sympathy to the Coad family, we share your loss and pain.
