TEHACHAPI, Calif. (KBAK/KBFX) - A Burlington Northern Santa Fe Railway worker was shot multiple times, the Kern County coroner's office said late Wednesday night.

Robert Limon, 38, of Helendale, was found dead Sunday at an industrial complex on Goodrick Drive in Tehachapi.

He was last seen by co-workers at about 5 that night as he left the field to return to the shop.

No arrests have been made and no suspect information has been released, but surveillance video has been released showing an unknown shadowy figure walking in the area around the same time.

BNSF is also offering a \$100,000 reward for information leading to an arrest and conviction, according to the sheriff's office.

Anyone with information helpful to the investigation is asked to call Detective Randall Meyer at (661) 391-7662 or Secret Witness at 322-4040. Anonymous text tips can be sent to TIP411 (847411). Type "KCSO" prior to the message.
