Amtrak's network today, he said, is smaller than in 1971, when he said passenger rail was more vibrant. The region is one of the most densely populated in the country, with wide-open spaces and large urban areas. "We're not talking about cities and suburbs," said VanderClute. "We're talking about the rural areas of the country." Amtrak is reaching into the region in a number of ways. Amtrak, freight collaboration 'went astray'

Southern Rail Commission. "This is an area that has been unserved for many years," said VanderClute. "When a train comes through in the middle of the night, three days a week. More trains are needed." Supporters say Amtrak coming in would be a game changer for the region. "Having this train would show that there is a lot for people to come and go from."
