Mission:

CGM's mission is to revitalize the Washington Park Community and transform the city of Montgomery and beyond through:

1. Building leaders from urban youth through long term mentorship, biblical discipleship, and developmental programs.
2. Creating an umbrella of Christian community development partners that focus on neighborhood transformation.

how we do it:

We have chosen to take a long term approach to transforming a distressed neighborhood by living as neighbors and doing life together in the neighborhood, investing in gospel driven leadership development, and bringing change to our city by connecting people across racial and cultural boundaries for the sake of the gospel.

In the context of real relationships, we seek to create programs and connections that facilitate mutual transformation in the power of the gospel.
