

**THE MENTORING SPACE**  
**Facilitating Systemic Constellations with Groups and**  
**in Individual Formats**  
with Suzi Tucker

Because the class is limited to 15 participants, we have created a very brief application to invite a similar level of experience and sphere of intention among students. Many thanks for taking a moment.

With whom have you studied Family Constellations and what was the nature/length of the program?

---

---

---

Are you facilitating Constellations currently? Privately or in a workshop format?

---

What is your professional/educational background?

---

---

---

What is your main goal in attending this program? Secondary goals?

---

---

---

What will you contribute to the program?
