

TUGBOAT PERFORMS AS AN INTERNAL STRATEGIC PARTNER, NOT AS A VENDOR. AS A RESULT, THE FIRM'S RECOMMENDATIONS IN WORKING WITH US ARE ROCK SOLID.

- **MANISH GUPTA, VP OF MARKETING**

THE WORLD'S TIMEKEEPER

Symmetricom® is the world's leading source of highly precise timekeeping technologies, instruments and solutions. We provide timekeeping in GPS satellites, national time references, and national power grids as well as in critical military and civilian networks, including those that enable next generation data, voice, mobile and video networks and services.
