THE EVENT

Refugees International's New York Circle brings together over 300 people to honor individuals who have demonstrated extraordinary leadership and commitment protecting the rights and well-being of refugees and others who have been forcibly displaced around the world.

Each year, Refugees International (RI) presents the Exceptional Service Award to honor the notable work of journalists, activists, and others whose service has an indelible impact on the lives of the most vulnerable women, men, and children around the world – the very people for whom RI advocates.

ABOUT US

More than 68 million refugees and displaced persons have fled their homes due to conflict and persecution, with another 25 million per year displaced due to natural disasters. Refugees International (RI) brings refugee voices to the halls of political power in the United States and around the world.

Founded in 1979, RI advocates for lifesaving assistance and protection for displaced people driven from their homes by conflict, persecution, and climate related disasters. Each year, Refugees International conducts 15 to 20 field missions, responding to unfolding crises and identifying urgent and basic needs such as food, water, healthcare, shelter, access to education and protection from harm. Our reports provide policy-makers, the media, and civil society with critical information, and have improved conditions for vulnerable people on a global scale.

We successfully challenge policymakers and aid agencies to improve conditions for refugees and displaced people, improving their overall welfare, security, and human rights.
Event sponsorship connects your corporation to leaders who positively impact the lives of others every day.
