

Paragon Mobile Deposit

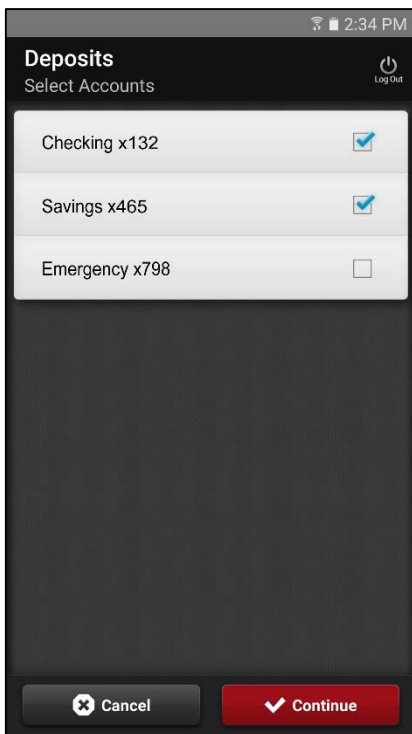

1. Open the Paragon app and choose **DEPOSITS** from the menu pop-out.

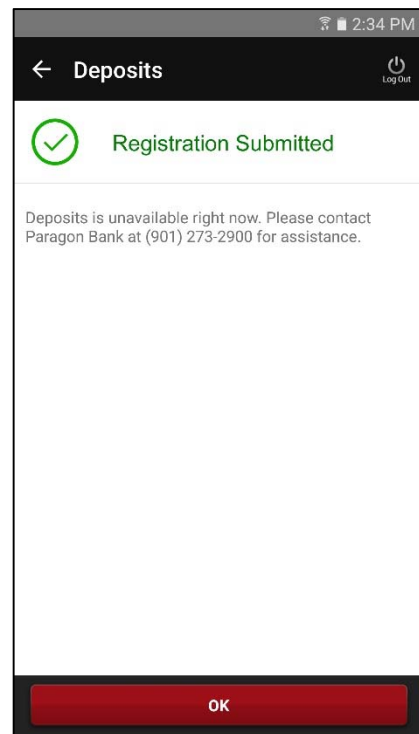

2. Complete the User Registration by entering the requested information. Then tap **CONTINUE**.

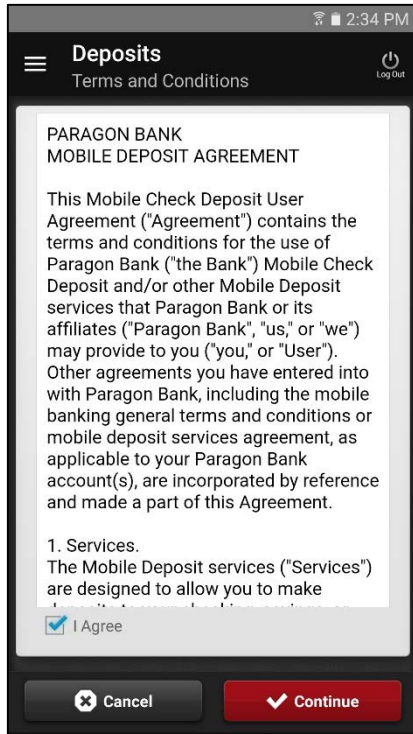

3. Select the accounts to which you would like to be able to make deposits. Then tap **CONTINUE**.

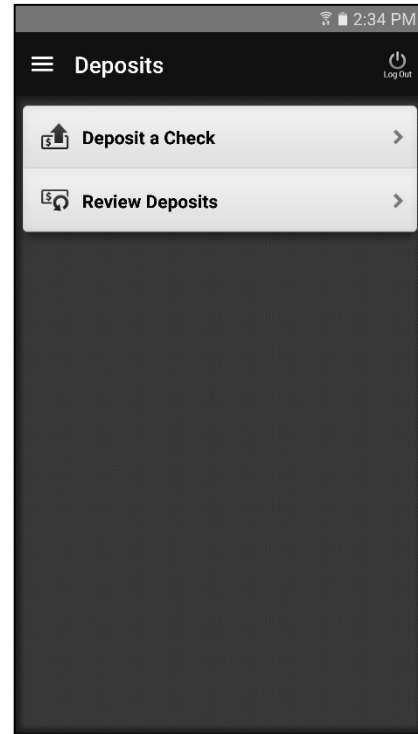

4. Your enrollment request is now complete. Your request will be reviewed, and an email will be sent to you when it has been approved.

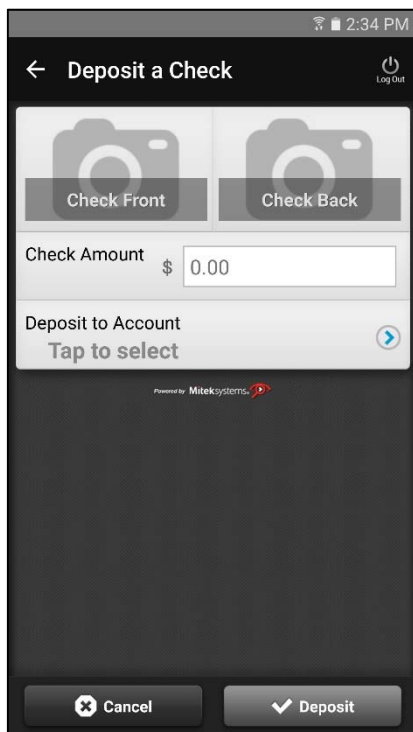

5. Once approved, log back in and tap **DEPOSITS**. You'll be presented with the Mobile Deposit Agreement. Tap **I AGREE**, and then **CONTINUE**.

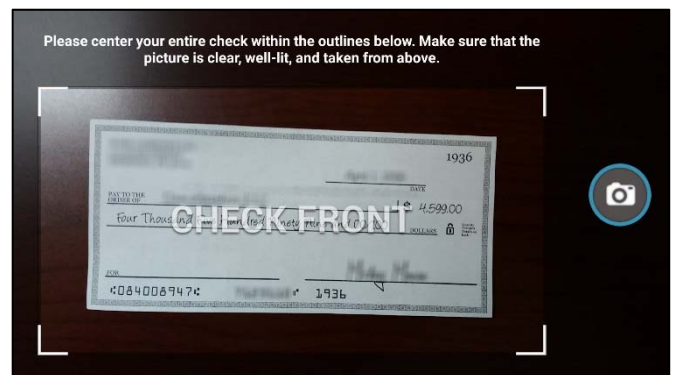

6. Select **DEPOSIT A CHECK** from the menu.

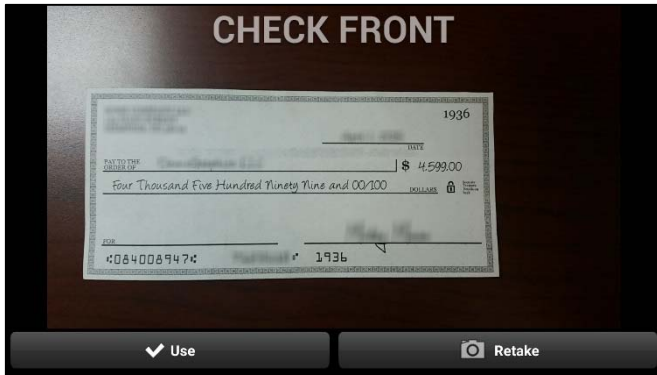

7. You're required to take pictures of the check, enter the amount, and select the deposit account. Start by tapping **CHECK FRONT**.

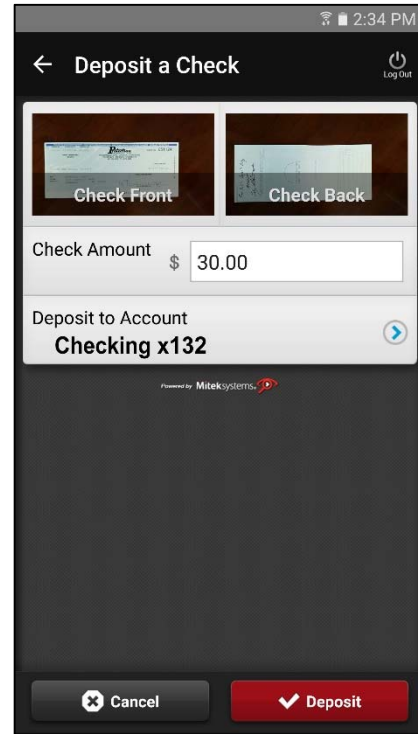

8. Keeping the check within the designated area, take a clear picture by tapping the camera button on the right.

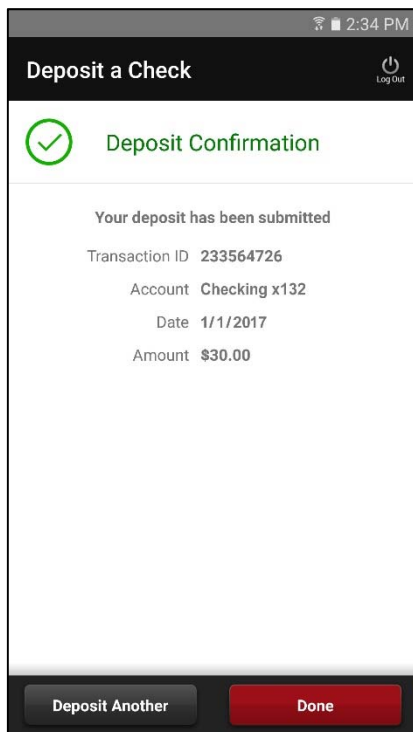

9. You'll be asked if you would like to Use or Retake the image. If the image is clear, tap **USE**. If the image is blurry, tap **RETAKE** and try again.

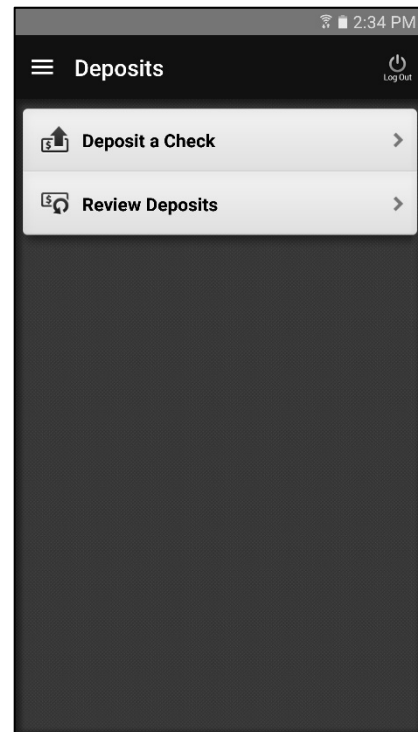

10. Finish the process by taking a picture of the back of the check, entering the amount, and selecting the deposit account. Then tap **DEPOSIT**.

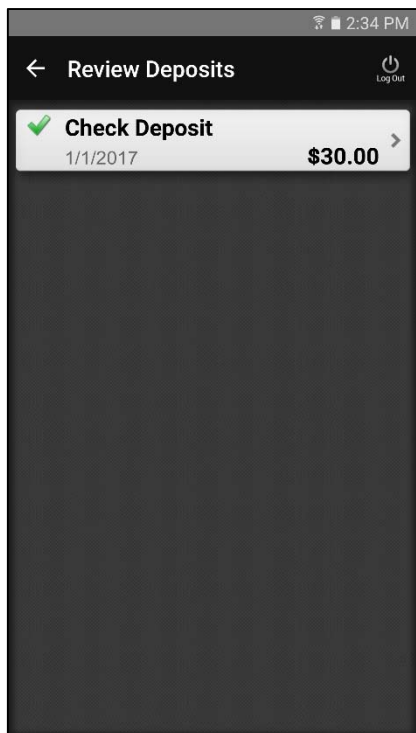

11. Your deposit has been submitted. Tap **DONE** if finished, or tap **DEPOSIT ANOTHER** if you have another check to deposit.

12. You'll be returned to the Deposit Menu when finished depositing checks. You may deposit more checks or tap **REVIEW DEPOSITS**.

13. All mobile deposits submitted within the last 60 days will be listed. Tap one of the deposits to see its details.

14. The deposit details appear. Its status will change from Submitted to Deposited once it has been accepted by the bank. You may view the check image by tapping on **VIEW CHECK**.
