## Brookleigh Cross Country Clinic

By Katrina Nolthenius

On the 24th of June members of the Gosnells pony club went to Brookleigh Estate for some Cross Country training, and what a great day it was! There were thrills, spills, tears, tantrums but most importantly lots of smiles and laughter. We had 8 pony clubbers go and two of our awesome instructors, Neisha and Jessie. We split off into two groups and whether we were jumping the big jumps or just going over the smaller ones we all had a great day, conquered our fears and reached our goals.

## Log Fence ODE

By Lisa Oliveri

On the 30th June and the 1st of July, Log fence held a two day event with over 300 horses attending. It was a massive event that Katrina and I competed in, which we both thoroughly enjoyed. Log Fence Cross country course was an awesome experience with tricky elements to overcome example scary steps and the dreaded ditch but overall we both completed it safely. A big thanks to everyone that came down to support us most of all our

We started off in the morning with some nice simple jumps but moved onto the water jump, which everyone loved, brush jumps, house jumps, steps (up and down) and even the coffin.

In the afternoon we got to watch our instructors show us how it is done! Neisha got to ride Shauny and Jessie rode her boy Levi.

Lisa took the most impressive fall of the day while Amira had the best save of the day.

A huge thank you to Melissa for organizing it and to our instructors for all the advice and encouraging words. We all can't wait to do it again!

mums! Katrina and I both successfully completed dressage, show jumping and cross country ending up with a shiny rainbow ribbon. At the end of each day we both came away with a tremendous amount of knowledge and good laughs. There is another ODE coming up only E and D classes, this would be a great opportunity for fellow Gosnells riders to come along and compete in.

It is lots of fun :)

## Pony Clubber of the Month Lisa and Maverick

Congratulations to our Pony Clubber of the Month Lisa Oliveri.

Last rally Lisa put the effort in to help set up and pack up (thank you).

Lisa has also taken on a leadership role within the Pony Club as President of the Junior Committee and helps with fundraising events to be able to get new equipment for the club.

Lately she has been doing very well riding Maverick, stepping out of their comfort zone and pushing the limits of what they can do. The results you can see for yourself! (pic. right)

You too can be a Pony Clubber of the Month. Selection is based on attendance, presentation and attitude.

**Lisa and Maverick with heaps of room to spare!**
