President

Dear Mr. Reed;

I would like to thank you for all the quality workmanship and excellent communication that your crews provided on the Hickory Ridge Facade Project.

It was a pleasure to deal with Benny Garner and Mark Bidabe; they were always cordial and professional. They did an excellent job of keeping us informed of any noise that may be incurred and always worked well with us throughout this project.

I would highly recommend your company to anyone needing services that Coatings Application & Waterproofing Co. provide.

Thank you,

Bob Lang
Director of Engineering
