Mr Bill Reed,

I want to express to you how we feel about your employee and the job he did at the Salt Lake City Marriott Downtown. Paul Savoy ran this the project in a manner that showed he really cared about the quality and performance of your company. Paul represented himself very professional and cared about our business. Paul understood all of the issues of working in a hotel and the obstacles we needed him to overcome. He is an outstanding project manager. He was on the job every day and hour keeping his crew focused and motivated on their tasks. He communicated with us on all aspects of the project and was always open to questions and concerns that we had to lesson the impact to our guests. We came to realize that Paul takes pride in his work and in the work of those he is responsible for. We feel that Paul and CAW gave us a Fantastic finished product and we would recommend CAW to Property owners looking to due a similar Project.

Regards

Charles Cooley
