My body is my body and it belongs to me!

I can say, ‘No!’ if I don’t want to kiss or hug someone.
I can give them a high five, shake their hand or blow them a kiss.
I am the boss of my body and what I say goes!

I have a Safety Network

These are five adults I trust. I can tell these people anything and they will believe me.
If I feel worried, scared or unsure, I can tell someone on my Safety Network how I am feeling and why I feel this way.

My private parts are the parts of my body under my bathing suit. I always call my private parts by their correct names.
No-one can touch my private parts.
No-one can ask me to touch their private parts. And no-one should show me pictures of private parts. If any of these things happen, I must tell a trusted adult on my Safety Network straightaway.

Early Warning Signs

If I feel frightened or unsafe
I may sweat a lot, get a sick tummy, become shaky and my heart might beat really fast.
These feelings are called my Early Warning Signs. If I feel this way about anything, I must tell an adult on my Safety Network straightaway.

Secrets

I should never keep secrets that make me feel bad or uncomfortable. If someone asks me to keep a secret that makes me feel bad or unsafe, I must tell an adult on my Safety Network straightaway!
