Superintendent Wilke was concerned on the hire of Terry Qualman due to he also works for the school system and wouldn't be available until school is out and the when school began he will not be available again. This would leave them 1 man short for them months. He recommended that we hire Larry Jorgenson instead.

Discussion was to also hire Larry Jorgenson and he can be a fill in seasonal worker when someone can't make it he can fill the vacancy.

It came to a agreement to do so and motion was made to hire Larry Jorgenson seasonal work by Kevin Schmidt and was 2nd by Jeff Wiswell. Motion passed.

The Administrator and Wendell would call in Larry Jorgenson and discuss the terms and hire him.
